Gold Star GYMNASTICS

We Have Moved OUTSIDE!

Due to the rise in COVID-19 cases in the County, we have moved most of our programs outside. Outdoor stations are set up at the front of the building next to the large windows, next to the Staff entrance, in the south parking lot, and on our Back Porch. Recreational and Preschool classes will have most of their events outside. There may be one low intensity event inside (such as flexibility, balance, or body positions).

Each class will start in a different location and the children will be brought back to that location at the end of their lesson. Every week the class will begin in the same location. All children will walk through the building to switch events.

Please send your children dressed in layers with sweatshirts, sweatpants, and socks!

We are committed to continue to offer safe in-person gymnastics classes for your children. Thank you so much for staying with us as we reinvent ourselves during this roller-coaster ride.

Tuition and Classes in December

This year we are closed for classes from **December 21 - January 3**. Classes resume on Monday, January 4th.

No make-ups are necessary to compensate for the winter break. We have charged all of our Recreational and Preschool class students for just 3 weeks in December for classes from November 30-December 20.

We are offering Day Camps on December 21, 22, 23, 28, 29 & 30.

Team athletes have been charged for the full month of December and will have practices throughout the entire month.

As so many classes move outside
Please drive very CAREFULLY
in our parking lot.

Watch for small CHILDREN!

Be On Time

Walk to the building to pick up your child.
We DO NOT want children
running across the parking lot.
